

## **NOTICE TO PATRONS: Title VII of the U.S. Civil Rights Act protects against harassment in the workplace**

The governor's 'mandates'/ exec orders surrounding Covid-19 are in violation of the US & NYS Constitution.

If you complain to the Health Dept that we are not following those anti-laws, we can report you to law enforcement for harassment.

**PLEASE DO NOT ENTER THIS ESTABLISHMENT IF YOU FEEL  
UNHEALTHY OR MEDICALLY VULNERABLE, and...  
you don't think your own mask will protect you.**

We cannot enforce mask 'mandates' or we will be violating the  
LAWS of the US and NYS and the **Americans with Disabilities Act**

Any person who harasses, intimidates, threatens or makes false accusations against this business, its owners, managers, employees and patrons, or who files a false claim or unfounded charges with a state or local agency regarding the lawful functioning of this business, as protected by local, state and federal laws, will be deemed a "direct threat" to the health and safety of this business and its owners, managers, employees and patrons, and as such will be banned from doing business w/ this establishment, and may

**be subject to a \$1,000,000 service charge**

from this business establishment for violation of our business policies, and will be reported to local law enforcement, the FBI and Homeland Security for investigation, as fully allowed by law.

---

**ARE YOU AFRAID?      That's not my intention.**

**Please know that if you are frightened of C-19 virus, that is by design of the pharma industry, but there really is little reason w/ 99.9% recovery rate. There are doctors who teach an outright cure.**

**Watch the Youtube video: Vitamin Masterclass Covid 19 Episode.**

This can be found on Andrew W. Saul's Vitamin Channel.

- 1, Dr Andrew W Saul and Dr Thomas Levy have multiple YouTube videos that teach the cure to every virus, and alleviate fear.
  2. The death numbers are highly exaggerated, which will be proven in court soon.
  3. Masks have no science behind them. They're not made to stop a virus (read the side of the box they came in).
  4. They cause physical harm to the wearer w/ long term use, called hypoxia – cell deprivation of Oxygen.
